

Skaters Coach® / Stride Bike Fitness Waiver / Terms and Conditions

IMPORTANT INFORMATION

LT Distributing LLC owner and distributor of Skaters Coach and Stride Bike Fitness insist that all participants follow safety rules and instructions that are designed to protect the participant's safety. However, participants and parents/guardians of minors using the Skaters Coach for any skating activity or striding on their bike must recognize that there is an inherent risk of injury when choosing to participate in skating activities and using the Skaters Coach or bicycle riding or striding while using Stride Bike Fitness conversion kit.

You are solely responsible for determining if you or your minor child/ward is physical fit and/or adequately skilled for skating or biking activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity. Before any skating or biking activity, please read all city, county, state, or federal laws and follow all posted rules and regulations.

WARNING OF RISK

Skating, biking / striding activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Because skating and biking activities are high-risk, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including but not limited to head injury, neck and back injury, and bone and joint injury. Specific risks and dangers include but are not limited to striking an irregularity in the riding surface, losing balance, unsuccessfully performing stunts, loss of control, colliding with other skaters or stationary objects, attempting a maneuver beyond one's skill level, acts of God, inclement weather, lack of safety equipment, inadequate or defective equipment, failure in supervision or instruction, and defects in the skating surface or adjacent property. Therefore, all participants are strongly encouraged to wear personal protective equipment and to inspect all facility equipment and biking skating surfaces prior to engaging in skating or biking activities.
